Re: Request for Extension of Time to Secure Counsel
Case No.: 24 Civ. 5090 (AT)

Dear Judge Torres,

I, Adria Sheri English, respectfully submit this letter to formally request a 60-day extension of the Court's March 26, 2025 deadline to secure substitute counsel in the above-referenced matter. This is my first request for an extension, and I have been actively seeking legal representation. I have identified an attorney in Virginia who is in the process of securing local New York counsel to appear on my behalf in this Court.

Given the unexpected withdrawal of my prior attorneys and the logistical challenges of securing new representation while residing in California, I kindly request additional time to complete this process. I have reached out to Defendants' counsel to seek their consent to this request, though their position on the matter is currently unknown.

For the Court's consideration, I have attached a [Proposed] Order granting my request for an extension. Should the Court require any further information or a hard copy of this letter, please let me know.

I sincerely appreciate the Court's time and consideration of this request.

Respectfully submitted,

Adria Sheri English
